

HELP

us collect much needed items for Baltimore City women and children shelters.

Feathers for Friends is a campaign that was started as a result of a children's book I wrote, "Feathery Kindness." My hope is that together our campus will show some kindness by collecting much needed items for Baltimore City women and children shelters.

Items collected will be on display along with the book at the student transfer art show, Becoming, January 11-26 at the CCBC Essex Art Gallery located in the AHUM building. A reception will be held on February 12 from 6-8 pm.

Place your items in any of the yellow collection boxes located throughout the campus. All items will be delivered to the shelters on February 29.

♥ Thank you for being so kind
